REFERENCE LETTER FOR SUNRAY TOURS & SAFARIS

I am pleased to write this letter in support of SUNRAY TOURS & SAFARIS as they transported the our Partners from Francistown to different locations(Kasane, Maun, Letlhakane, Palapye, Gaborone, Molepolole & Ramotswa)

The drivers offered the team an excellent service because they were punctual, took heed of the road safety rules and were very respectful and pleasant throughout the journey. They went an extra mile by helping with the loading and the unloading of the travelling luggage and also dropping off the participants at their respective places. I therefore highly recommend SUNRAY TOURS & SAFARIS as they offer outstanding transportation services.

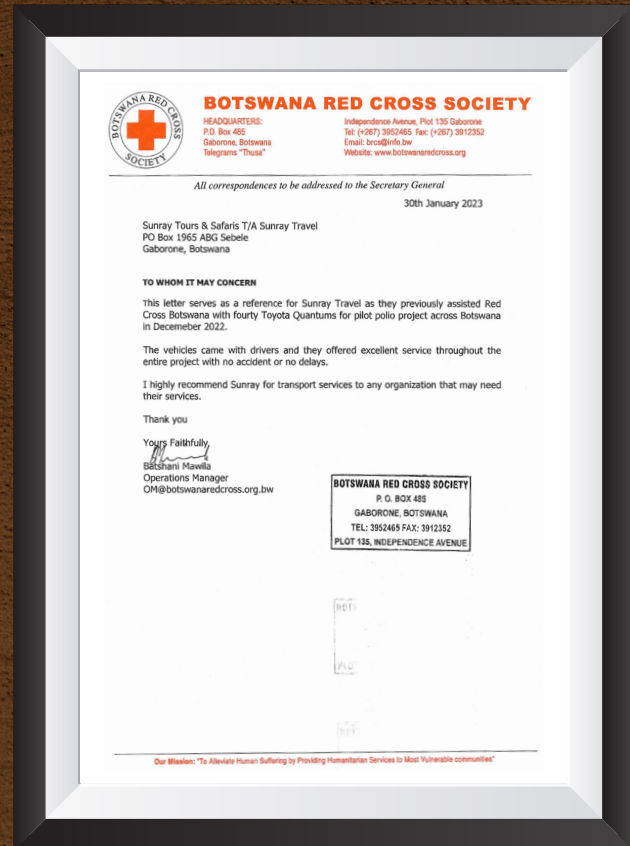

Thank you

Yours Faithfully
